English Translation:

Praise and salutations to the name of Mother Durga.
Whether at night or the early morning, one should chant the name of
Mother Durga.

Oh gracious giver. Oh great Queen of the world, let me worship at your
lotus like feet. You gave us so much to this day. To you we offer our
countless salutations.

For happiness and goodness, You are the giver Maa. To Lord Naryan,
Durga, and Lakshmi Maa, limitless salutations oh Maa.
